MUBADALA YOUTH LEAGUE CODE OF CONDUCT

MUBADALA YOUTH LEAGUE

CODE OF CONDUCT

The JPL's sole purpose is to provide an opportunity for our players to experience a high quality program of developmental and competitive football.

Football and all other sports, in which children become involved, enable our youth to experience many important lessons which will help form their adult lives.

The adults involved, whether as spectators or coaches, have a critical role in assuring that these experiences for our youth are positive and appropriate.

MUBADALA YOUTH LEAGUE

CODE OF CONDUCT

The JPL Mubadala Youth League believes that the following standards of behaviour for players, parents, and coaches are essential to our goals and represent a minimum standard that should be adhered to at all times.

It is vital that our players are allowed to enjoy the game in an environment that encourages development to take place without undue pressure from the coaches, parents and the opposition.

Please make sure everyone involved with your club from coaches/managers, players and parents are aware of the guidelines below. Let's make our matches a pleasure to be a part of.
