# MUBADALA JUNIOR PREMIER LEAGUE TRANSFER POLICY

---

If a player approaches your academy seeking to move to you it is important that any transfer of a player is done in a way that is honest and transparent and that all academies follow the rules and keep the best interests of the player at the heart of any move.

With this in mind, the Junior Premier League in Abu Dhabi wants to set clear guidelines for best practise which is

1. No academy is to approach a player directly via WhatsApp, Direct Message, or Social Media – a child should never be contacted by an adult privately; if this happens then cases will be reported to the Abu Dhabi Sports Council.

Failure to follow these guidelines can lead to the offending academy being excluded from the league for 1 term, for the first infringement, and if it occurs again then the academy can be permanently excluded.

The transfer policy is shown below:

## **TRANSFER POLICY**

A player is only permitted to represent one club in the League.

A player may only be transferred to another club in the competition during the transfer window:

1. End of the term 1 season
2. During Ramadan of term 2

When a Club wishes to register a player who is already registered with another club it shall submit a transfer request (in an email) to [manager@jlpgcc.com](mailto:manager@jlpgcc.com). The request shall be referred to the club for which the player is currently registered. Should this club object to the transfer it should state its objections in writing to the League and to the player concerned within 3 days of receipt of the notification.

Upon receipt of the Club's consent, or upon its failure to give written objection within 3 days, the League manager will transfer the player who shall be deemed eligible to play for the new Club from such date or 7 days after receipt of such transfer.

In the event of an objection to a transfer, the matter shall be referred to the League executive management for a decision. The player will be unable to play for either club during the appeals process.

Playing a player who has not been through the official transfer process will result in a forfeit for each game the player was named on the match day team sheet on Gotsport
